The Ark Encounter, The Creation Museum Plus a Tour of Berea College

March 22-24, 2018 3 days & 2 night \$359 per person (dbl occup)

Day 1 - After getting acquainted and settled on the bus we will head north through Knoxville and on into Kentucky. We will stop for a coffee and breakfast break in Trenton. Today our journey takes us to Berea Kentucky and the historic Boone Tavern and Hotel. An historic Berea hotel, Boone Tavern was built in 1909 at the suggestion of Nellie Frost, the wife of the College president, William G. Frost. As the reputation of Berea College grew, so did the number of guests that Mrs. Frost received, reaching a total of 300 guests in one summer. Boone Tavern Hotel & Restaurant- named for Appalachian hero Daniel Boone - has been hosting visitors of Berea, Kentucky, ever since, including the Dalai Lama, Henry Ford, President and Mrs. Calvin Coolidge, Eleanor Roosevelt, Maya Angelou, and Robert Frost. Construction of Boone Tavern began in 1909 based on designs by the New York architectural firm of Cady & See at a cost of \$20,000. The building, made of bricks manufactured by students in the College's brickyard, was constructed by the College's Woodwork Department. The "Tavern" portion of the name is derived from the historic definition that refers to a public inn for travelers rather than the modern definition related to the sale of alcohol. Built at a prominent location on the College Square in the heart of Berea where the old Dixie Highway intersected with the campus, Boone has become one of the most famous Kentucky hotels and has been known as a popular destination for travelers of business and leisure alike. We should arrive at the hotel around 4 pm and have time to visit the nearby shops. We will have an included dinner in the hotel restaurant at 6:30 pm.

Day 2 - After a hot breakfast at our hotel we will visit Berea College. Nestled in the foothills of Appalachia, Berea College is home to 1,600 students who demonstrate great promise yet have limited economic resources. These students hail from various places, cultures, perspectives, and experiences. Every student receives a full-tuition scholarship, a campus job, and a high-quality liberal arts education, making Berea like no other college in the nation. Here one of the students will lead us on a tour to discover the history of Berea College as well as the present day operations. Next we will drive north to The Ark encounter. HAVE YOU EVER WONDERED? How big was Noah's Ark? How did Noah fit all the animals on board? How did Noah feed and care for all the animals? How did Noah build the Ark? They have built the full-size Noah's Ark to answer these questions—and more! As you enter Noah's world aboard the massive Ark, you'll tour three decks filled with scores of world-class exhibit bays. These stunning exhibits allow you to experience what Noah's life may have been like.

After we visit The Ark we will head go to our hotel for the evening south of Cincinnati.

Day 3— Enjoy a continental breakfast and board the bus at 8:15 Am to head to the Creation Museum. The state-of-the-art 75,000-square-foot museum brings the pages of the Bible to life, casting its characters and animals in dynamic form and placing them in familiar settings. Adam and Eve live in the Garden of Eden. Children play and dinosaurs roam near Eden's Rivers. The serpent coils cunningly in the Tree of the Knowledge of Good and Evil. Majestic murals, great masterpieces brimming with pulsating colors and details, provide a backdrop for many of the settings. We will have lunch on our own at the museum and depart at 12:15 pm. After lunch we will head back home. We should arrive home by 7:30 PM.
