Come along and enjoy a delightful, fun filled day trip as we travel to Crossville, Tennessee. We will stop in Trenton for a bathroom break and some breakfast. The Cumberland County Playhouse provides arts opportunities to a vast region underserved by other arts resources, including rural East and Middle Tennessee, North Georgia, Southern Kentucky, and Northern Alabama, as well as metropolitan Knoxville, Nashville and Chattanooga. With an annual budget of over \$1,800,000, the Playhouse is among Tennessee's most sufficient arts institutions. Today we will see "Stand By Your Man ;The Tammy Wynette Story.". Stand by Your Man brings the woman behind the legend and the incredible songs that made her the first lady of country music, off the stage and into your heart. Through her eyes, the audience relives her journey from the cotton fields of Itawamba, Mississippi, to international superstar.

With comic flare and dramatic impact Stand by Your Man recounts triumphs and tragedies and explores Tammy's relationships with the five husbands she stood by, including George Jones, her beloved daughters, her strong-willed mother and two of her dearest friends: colorful writer and producer Billy Sherrill and film star Burt Reynolds. Among the 26 hit songs are "D-I-V-O-R-C-E," "Til I Can Make It on My Own" and "Golden Ring."

We will stop for lunch at the Cumberland State Park . The restaurant at Cumberland Mountain park overlooks beautiful Byrd Lake through several large windows. They serve a buffet offering excellent Southern cuisine that includes roast beef, baked ham, fried chicken, pork chops and a large variety of vegetables. Home made desserts, rolls and salad bar are prepared fresh daily. After lunch we will stop at Simonton's Cheese House. Simonton's Cheese House has been in business since 1947. They have distributed their cheese to people all over the world including the White House. Next we are off to see "The Marvelous Wonderettes". Join us for a great day! Shop at Simonton's Cheese House, eat a delicious lunch at the Cumberland State Park and enjoy a great play that will take you back to the music of your youth ! We should arrive home about 7:30 pm.
